Petroglyph Forestry JOB POSTING

Firewood Yard Worker (Part Time)

Reporting to the Firewood Yard Supervisor, the Firewood Yard Worker participates in the production of firewood and firewood products, involving the use saws and other equipment to cut and split wood. This position can require physically demanding work.

Main duties:

- Production of firewood and firewood products.
- Maintenance and cleaning of the work yard.
- Delivery of firewood to customers.
- Use of equipment (chainsaw, wood splitter, dump truck, bobcat skidsteer – training/certification required).

Employment requirements:

- Must be willing and able to withstand the rigors of manual labour.
- Must be willing and able to adhere to safety standards in work practice.

Key Competencies:

- First Aid training preferred.
- Chainsaw use and training preferred.
- Equipment operator experience preferred (wood splitter, dump truck, skidsteer, forklift).
- Valid driver's license preferred.
- Strong communication and interpersonal skills, team-player.
- Strong desire to learn and improve.

Mt. Benson Forestry LP offers a competitive compensation package based on experience.
